Vesey Ltd - Birmingham

- Successfully fulfilled high-volume orders for Premier League club Brighton, ensuring successful retail distribution.
- Demonstrated exceptional time management skills to consistently meet tight production deadlines while effectively managing work under pressure
- Trained and mentored new team members to enhance their skills and productivity.
- Designed specialized fixtures and tooling for optimizing production processes.
- Collaborated effectively in cross-functional teams to drive project success.

Feb 2023 - Mar 2023
Web developer

- Created custom websites by harnessing HTML, CSS and JavaScript skills.

Beverley Hills Group - London

- Designed web pages to enhance branding and navigation.
- Applied SEO techniques to drive engagement and improve Google rankings.
- Assessed and balanced costs and consequences of upgrading systems.

Aug 2022 - Dec 2023
Front End / Full Stack Developer in training
WBS Coding School - London

- Implemented responsive and user-friendly web interfaces using HTML, CSS, and JavaScript and built dynamic web applications using modern front-end and back-end frameworks, such as React and Next.js
- Worked with Figma to translate design mockups into functional web interfaces, ensuring optimal user experiences and accessibility standards were met.
- Developed full-stack web applications using modern front-end frameworks, such as React, and back-end technologies, such as Node.js
- Developed, deployed, and managed web applications on cloud-based platforms such as Netlify
- Used databases such as Supabase, MongoDB, or PostgreSQL to store and retrieve data and work with APIs to integrate external data sources into web applications
- Continuously learned and stayed up-to-date with the latest trends and best practices in full-stack development and leveraged new technologies to improve project delivery and user experiences.
- Leveraged communication and collaboration skills to work effectively in team-based environments and drive project success.

Sep 2020 - May 2022
Event organiser / Youth Minister
European Missions Society - Ukraine/Moldova

- Worked overseas as part of a multinational team focusing on event organisation and comprehensive support for those in need.
- Built community relations and analysed community needs to inform legislative priorities.
- Conducted weekly public speaking engagements for audiences of around 150 individuals, delivering impactful messages.
- Led smaller discussion groups, facilitating meaningful dialogue with up to 35 participants.
- Conducted regular one-on-one meetings, providing personalised support and guidance.
- Managed and supplied food storage for various events, ensuring efficient logistics.
- Extended support and services to refugees affected by the war in Ukraine, assisting them in adapting to their new surroundings.
- Developed strong time management skills and demonstrated a deep commitment to helping others through these experiences.
